Flock & Axon ALPR users:

Flock is now integrated and working seamlessly with Axon ALPR's.

What does this mean for you? Well, all the license plates that our Axon ALPRs have captured in the units are now appearing in our Flock Searches.

To make things even easier for you, I've attached some documentation from Axon that explains how to use Flock and Axon together.
If you have any questions or need further information, please don't hesitate to reach out. I'm here to help!

Thank you.
